

Bible in a Year: Chronological

The whole Bible in the order events happened, January 1 to December 31, 2027. About 11 minutes a day.

"Your word is a lamp to my feet, and a light for my path."

PSALM 119:105, WEB

- One reading a day, about 11 minutes.
- Days marked "date debated" place a book where many scholars put it, not where all do.
- A Bible with section headings helps you see where each passage sits in the story.
- Fell behind? Skip to today's reading. A plan is a servant, not a debt.
